

# Saturday Night Questions & Answers

**Q: Why are we having a Saturday night gathering?**

A: The purpose of the Saturday night gathering is to provide a third worship opportunity at a time and in an atmosphere (based on the time of day and style of leadership) that will be more accessible for some who are not yet a part of a Church in our area.

**Q: What was wrong with the 3<sup>rd</sup> Gathering on Sunday nights?**

A: Nothing was wrong with the 3<sup>rd</sup> Gathering. We simply believe that having a Saturday evening option in the Worship Center will be more attractive to a broader group of people.

**Q: What are the hours of the gathering and where is it going to be held?**

A: The Saturday night gathering will begin at 6:00pm and end around 7:15pm. It will meet in the sanctuary of the main Worship Center, the same place the Sunday morning gatherings are held.

**Q: Who will be teaching at the Saturday night gathering?**

A: Whoever is scheduled to teach on Sunday mornings will also teach the same exact message on Saturday night.

**Q: What about the music?**

A: Josiah will be the Worship Leader for the Saturday night gatherings. The style will be guitar-driven, high-energy and few vocals.

**Q: Does that change what is happening with the music on Sunday mornings?**

A: The music styles will remain as they are. 9:00am – Classic, 10:30 am – Contemporary. Bryan will serve as Worship Leader for both of the Sunday morning gatherings.

**Q: Will the Saturday night gathering be just like the Sunday morning gatherings?**

A: As mentioned earlier, the same exact message will be taught in all three weekend gatherings. If there is a special emphasis on Sunday morning, then the same special emphasis will be made on Saturday night. The music styles will differ and the Saturday night gathering will be intentionally more casual and relaxed.

**Q: Will there be anything for my children?**

**A:** Children's programming will be offered for babies through 6th grade. Babies – 2 years will enjoy loving care and an intentional prayer time as they are taught that God loves them and God made them! Preschool (3yrs) – Kindergarten will enjoy a large group/small group environment with exciting elements such as video, crafts, music, Bible, and prayer time as they see God's Word come alive. Elementary (1st-6th) will participate in an environment with hands on activities, games, music, and video elements as they grapple with and apply God's truths.

**Q: What about my teens?**

**A:** There will not be any specific youth programming available at the Saturday night gathering. However, there will be an adult representative from the youth department present to intentionally connect with your teens and help them know how they can engage in the activities and programs of the youth department.

**Q: What about the 20-Somethings?**

**A:** We are currently in the process of building a designated space for the 20-Somethings age group. When the construction is done, this space will be open and available for use before and after each Saturday night gathering.
