WELCOME

Children are a gift from God.

Jesus said, "Let the children come to me and do not hinder them, for the Kingdom of heaven belongs to such as these." Mark 10:14

It is our privilege to come alongside parents and partner with them in teaching their children that God made them and that He loves them beyond measure.

Our Preschool & Kindergarten Department is geared for children 2 1/2 years of age through Kindergarten. These children meet on the lower level of the Kids Kingdom.

Relevant Bible truths are taught for each age group during our Saturday night and Sunday morning Gatherings. We also have a Wednesday night ministry that is geared for Pre-K (4 & 5yrs) and Kindergarten children.

PROMOTION

Preschool children are promoted twice a year (August & February) based on age and classroom ratios. The Early Childhood Pastor will contact you if your child is changing classes.

GREETING & DISMISSAL

DROP OFF/PICK UP:

- Preschool & Kindergarten rooms will be open 15 minutes before and after regular church services.
- Your child may cry when left with us. This reaction is a normal, healthy show of preference for parents. In most cases, crying stops a few moments after you leave. If your child continues to cry after ten minutes, we will notify you.

SAFETY & SECURITY PROCEDURES:

- For their safety, all children should be checked into the Parent Pager security system. Visitors must check in at the manned station located at the East end of Kids Kingdom. Families that attend regularly are issued a proximity card or a Key fob to check children IN & OUT at an express station. Children will only be released to the parent or guardian possessing the check out slip.

REACHING PARENTS/GUARDIANS:

- There is a visual paging system in the sanctuary that will flash your family number if your child needs you. You may also indicate on the check-in sheet if you are attending another class. Please have caregivers make a note of any special instructions on this slip as well.

HEALTH POLICIES

- We strive to maintain a hygienic and safe environment for your child by wiping down tables and toys with a sterilized solution after each service, and by using hand sanitizer frequently.
- In order to ensure the safety and health of other children and workers, we cannot accept a child who has had any of the following symptoms within the past 24 hours: diarrhea, vomiting, fever, rash, open sores, or a runny nose (unless clear).
- If your child develops a fever or other illness symptoms, you will be asked to take your child with you.
- No medication will be given to any child in the Preschool & Kindergarten Department.

SNACKS

- A light snack is provided during each Gathering and usually consists of water, goldfish crackers, graham crackers or animal crackers.
- Please notify the director/teacher of any food allergies. In addition, please go to the manned check-in/out station and have an attendant add the allergy alert to your child's record.
- If you are bringing a special snack, due to allergies, please label any food containers with your child's name.
