Dear Parents,

It is hard to believe that summer is over and that kids are back to school! This weekend, August 6/7th our new fall programming will begin. At this time your child will be officially promoted to their new grade. Please note on the front of this card we have indicated which room your child will be in.

Sunday AM, please note first hour is our "Grow & Go Zone" in which kids will meet together and delve deeper into Scripture using an interactive approach.

At 10:30 we will employ a large group/small group model for all grades. We have a large group teaching time and then the kids meet with the same small group leader for discussion and application. This gives them the opportunity to build relationships with their leaders and peers while exploring Biblical concepts.

Everything we do is designed to lead children to a growing relationship with Jesus Christ. We look forward to what God is going to do in the days ahead.

In His service,
Pastor Dana Spait
