

# KIDS TAKE ACTION

Our Spring Mission Challenge is a  
**TOY DRIVE**

Preschool and Kindergarten kids are joining forces to collect toys for other children! As a family, take opportunities this quarter to remind one another of the many blessings we have in our lives and find ways to be a blessing to others. While many children have a lot of nice toys to play with, others are not so fortunate. This quarter, help your children find ways to bless other children. You can do some spring cleaning and find toys in good condition (please only donate lightly used toys) to give to others or go to the store and pick out fun toys that your child thinks other children would enjoy! CrossRoads kids have the chance to be a blessing to others this quarter by giving to other children.

Bring in the toys to the Kids Take Action Table downstairs in the Kids Kingdom sometime during February, March or April!

To find out other ways that your family can be involved this spring, visit [www.themercyproject.com](http://www.themercyproject.com).

# Mission Challenge

## FEBRUARY

Share the love of God this month! Encourage your children to look through their toys and donate toys that are still in good condition to others! There is a toy drop off spot located at the Kids Take Action Table downstairs in the Kids Kingdom. These toys will go to families in transition, low income moms at Pregnancy Care Center, and other organizations dedicated to helping children.

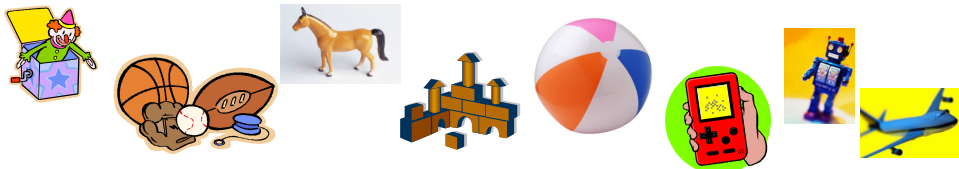

## MARCH

This month, go out as a family to the dollar store or toy store and have your child pick out a special toy for someone else! Kids get excited to receive toys, but remind your kids of how blessed they are and how much fun it is to give! Encourage them to think of a gender and age and have them go to the store to find a special gift just for that child. You can donate the toys at the Kids Take Action Table downstairs in the Kids Kingdom!

## APRIL

This month, take some time to be together as a family and do some spring cleaning! Hold a garage sale and donate a percentage of the proceeds to help other families! Drop the funds off at the Kids Take Action Table to help families in transition or choose a family that you know who is struggling financially and leave an anonymous donation at their doorstep!
